METHODISTS ACTIVE

SUNDAY, JUNE 8TH WAS A LIVELY DAY IN FIRST M. E. CHURCH

Children and flowers filled the First Methodist Church with brightness yesterday morning when the annual Children's Day exercises were held. Hundreds of beautiful, yellow coreopsois blooms with foliage and asparagus plumosis formed a border for the platform, and were displayed in large, spreading bouquets in the rear. The program was largely educational and a special offering was made to the Student Aid Fund which is devoted to helping Methodist young people through college. This fund was started 50 years ago, and now amounts to over $1,000,000.00. During its history it has assisted 25,000 young people to get an education. Two thousand were helped last year. Between ninety and a hundred thousand dollars is contributed each year by the churches, and many thousands are returned annually to the fund by the students who have been helped, and who have begun their life work. The money is not given to them, but loaned without interest for the time they are studying, and after their course is completed they are allowed five years in which to return it. The exercises were in charge of the young women of the J. O. C. Class, with Mrs. Frank Mathiesen at the head of the Program Committee, and Mrs. Chas. Starkey, chairman for the decorators.

The church "Debtometer," which was installed two weeks ago, registered $775.00 yesterday, which indicated that the church debt is going nearly four times faster than the scheduled $100.00 per week.

It was reported that the canvass for subscriptions to the debt fund among the members of the church is nearly completed, and the financial team is now seeking among the remainder of the membership and the outside friends of the church to raise enough to cover the debt during the five-year period which has been set for the discharge of the full amount of $27,000.00.

BOY SCOUT HIKES

Boy Scouts will have four pleasurable and profitable camps and hikes this summer. The first hike will begin the 20th of June, is for 36 first-class Scouts and will last 10 days. It is a camping trip on which the boys will depend upon burros for transportation.

The second trip comes later in the season, 100 tenderfoot and second-class Scouts will spend 10 days in the wilds. Their provisions will go by gipsy wagon, and expert men cooks will prepare their meals.

The camp at Arthur Letts will be open all summer to boys, and a camp will be held on Catalina the last week in August.

FORMER SALT LAKE AGENT DEAD

Ed Murphy, who was agent for the Salt Lake Railroad here, died at the home of his parents, L. T. Murphy and wife, 4173 Halldale avenue, Los Angeles, last Friday, aged 34 years, and was buried this morning. His death was due to tuberculosis. Mr. Murphy was a member of the Elks and Knights of Columbus.

"SOME EXCITEMENT"

HARRISON FRANK HAS TRYING EXPERIENCES IN FRESNO COUNTY

Mrs. E. C. Frank, of 1558 East Wilson avenue, has received some interesting letters from her son, Harrison Frank, relating his experiences with the San Joaquin Valley Farm Lands Company at San Joaquin. In one recent communication he wrote:

"We, too, have been having some very funny weather. The last three days we have had a desert wind storm. The wind and dust burn worse than the sun. My lips cracked open and swelled and my poor face is almost blue, not red any more. I had to wear two sweaters and an overcoat to keep the cold wind off in the forenoon and when the wind stopped the heat rose to 110 or more degrees in the sun and 102 in the shade, but no shade to be found any place. We had a freak rain, that is, it tried to rain, but only a few drops fell. Oh, what mud!

"We lit the light in the evening and before we knew it our room was filled with minute bugs and everything was black with them. It was too hot to use a sheet and besides the bed was full of these tiny fellows also, so most of the night we just

(Continued on Page 4)

SCOUT DRIVE

MRS. MEEKER APPOINTED BY M'ADOO TO LEAD MOVEMENT IN GLENDALE

Mrs. R. W. Meeker is in receipt of a wire from W. G. McAdoo asking her to head the Scout Drive in Glendale June 8th to 14th. On account of the late hour Mrs. Meeker feels she cannot refuse, although personal matters are pressing. Mrs. Meeker was chairman of the Fifth Liberty Loan Committee and says the Boy Scouts came to her aid so generously then that she feels she cannot refuse them now. She is asked to organize her committee and wire her acceptance at once and she appeals to all who are in sympathy with the Scout movement to come to her aid. She will appreciate having all those who were on her Liberty Loan Committee volunteer to help her and she asks that all Scout Masters call her by phone, Glendale 1108, or call at her home, 1320 E. Colorado, this evening. She has opened headquarters in the room just north of the postoffice on Brand Boulevard.

WEDDING OF POPULAR YOUNG PEOPLE

Last Thursday evening, at 8:15 o'clock, forty guests assembled at the home of Wm. Cullingworth, 1023 Boynton street, to witness the marriage of his sister, Miss Fannie, to J. Allen Adams. The bridal party preceded by Rev. O. P. Rider, entered to the accompaniment of Lohengrin's Wedding March. First came May Cullingworth, tiny niece of the bride, bearing a basket of roses, then the bride and her sister, Miss Allie, both gowned in white, followed by the groom and his best man, Paul L. Rider. The beautiful marriage service written by Dr. G. W. Bethune, which was used by Rev. Rider, never seemed more appropriate. The guests lingered to congratulate the happy pair, to admire the many wedding gifts and to partake of dainty refreshments.

The bride and groom will spend their honeymoon at Balboa. They expect to return next Wednesday and occupy their own home at 1025 Mariposa. Mr. Adams is employed in the Biola Press Rooms, Los Angeles. He is a young man of rare qualities and both he and Mrs. Adams are active church workers. Hosts of friends wish them a long and happy life together.

NOTED MASONIC VISITOR

Unity Lodge, No. 368, F. and A. M., will be host to M. W. Bradford Webster, Grand Master of Masons of California, Thursday evening, June 12th. The Grand Master is seldom able to favor the local lodges with his presence and Unity Lodge is highly honored in having him as their guest on this occasion. He will personally assist in conferring the Third Degree. Every member should take this opportunity to witness this ceremonial. Eagle Rock and Burbank Masonic Lodges have been invited to be present. All visiting Masons are cordially invited.

DIVISIONAL CHAPLAIN

SUCH IS HONORARY TITLE OF MAN TO SPEAK IN GLENDALE JUNE 11TH

Of the man who speaks in the First M. E. Church Wednesday night, the following is said:

Major Pierre Blommaert, Protestant Chaplain in Chief of the Belgian Army, who has arrived in this country on a mission for the Belgian Government, has reported to the Committee for Christian Relief in France and Belgium that there is urgent need of immediate help to the struggling Protestant congregations in that country, which are seeking to re-establish themselves. Those congregations are in the deepest poverty," said Chaplain Blommaert. "In their efforts to resume normal life, they are appalled both by the lack of means and the high prices. Prices for everything in Belgium are from two to three times as high as before the war. Out of their scanty means, they are not able to keep their churches going. The pastors still receive salaries of only from $400 to $600 a year, on which they are utterly unable to support themselves. We need funds for helping those pastors, for assisting the churches, for building new ones, and for many other purposes in order to give our religious life a new start."

The Interchurch Committee is raising a fund of $3,000,000 for relief work in France and Belgium and has already sent $700,000 abroad for that purpose.

PEACE TREATY LEAK

PRESIDENT WILSON CABLES HE IS GLAD SENATORS HAVE DEMANDED INVESTIGATION

(Special Service to Glendale Evening News)

WASHINGTON, June 9.—President Wilson today cabled Senator Hitchcock through Secretary Tumulty that he is anxious to have the alleged peace treaty leak investigated. The cablegram declared: "I am heartily glad you have demanded an investigation with regard to the possession of the text of the treaty by unauthorized persons. I have felt it was not desirable to communicate the text of the document, which still is in negotiation, subject to change. Anyone who has possession of the official English text has what he is clearly not entitled to have or communicate. I have felt in honor bound to act in the same spirit and in the same way as representatives of other great powers in this matter and I am confident my fellow countrymen will not expect me to break faith with them. I hope the investigation will be most thoroughly prosecuted."

The Senate Foreign Relations Committee subpoenaed J. P. Morgan, Frank A. Vanderlip and other big New Yorkers as witnesses in the investigation.

Senator Borah told the Foreign Affairs Committee that he started investigating what interest "big business" had in the peace treaty and the league of nations March 6th. He said: "I learned that all were deeply interested in the league and were working for its adoption; that they were assisting by contributions, public speeches, interviews and other methods. I became convinced they were supporting the league not through ultrapatriotic methods but for private reasons."

Soon after the Senate convened, Borah presented a copy of the treaty and asked that it be included in the record.The Senate voted 47 to 2 in favor of making it a part of the record and publishing it. Senator Borah said that Frazier Hunt, a Chicago newspaper man, gave him a copy.

The Chicago Tribune this morning is printing what it is said is the full text of the treaty which Hunt brought from Paris.

GOV. HOBBY'S REQUEST DISREGARDED

COMMANDER OF SOUTHERN ARMY DEPARTMENT TELLS WAR DEPARTMENT TROOPS ARE SUFFICIENT

(Special Service to Glendale Evening News)

WASHINGTON, June 9.—Major General Cabell, commanding the Southern Army Department, today cabled that the troops now on the border are sufficient to handle any situation arising. The cable was in answer to the request of Governor Hobby of Texas for more troops.

CAESAR SAMUELS, WEALTHY HEBREW, SHOT

SHOOTING DONE BY MAN WHO SOUGHT HELP FROM JEWISH AID SOCIETY AND DID NOT GET IT

(Special Service to Glendale Evening News)

LOS ANGELES, June 9.—Caesar Samuels, wealthy secretary of the Jewish Aid Society, was shot, and probably fatally injured in the Society's offices this morning. The police arrested Lewis Godfrey of Youngstown, Ohio.

Godfrey, it is said, admitted the shooting and said he shot Samuels because he had not received the aid to which he thought he was entitled.

STRIKE SETTLEMENT UP TO BURLESON

PRESIDENT WILSON WILL NOT TAKE A HAND UNLESS OTHER AGENCIES FAIL

(Special Service to Glendale Evening News)

WASHINGTON, June 9.—It is authoritatively stated that the settlement of the threatened nation-wide telephone and telegraph strike now rests with Postmaster-General Burleson and the Labor Department.

President Wilson has indicated that he will not act unless other agencies fail. Neither the Postoffice nor the Labor Department intimated what action they are taking.

LIVES LOST IN ELECTION RIOTS

GARCIA APPARENTLY ELECTED GOVERNOR IN ELECTIONS AT MONTEREY YESTERDAY

(Special Service to Glendale Evening News)

LAREDO, Tex., June 9.—A dispatch from Monterey received heret today stated that one man was killed and three were wounded in a clash between the supporters of General Gonzales and Juan Garcia during yesterday's gubernatorial elections. Garcia was apparently elected. Carranza supported Gonzales.

BIG ALLOWANCE FOR RAILWAYS

(Special Service to Glendale Evening News)

WASHINGTON, June 9.—The House Appropriations Committee today reported the Railroad Appropriation bill carrying three-quarters of a billion dollars. It is $450,000,000 less than the Director General of Railways asked for.

PHONE CONDITIONS

RESOLUTION PASSED AT MASS MEETING IN JANUARY PIGEON-HOLED BY TRUSTEES

There is not much being said as to telephone conditions at present in Glendale, and yet there is a strong undercurrent sentiment in opposition to the harsh treatment patrons are receiving from the hands of the Pacific Telephone Company.

The question is presenting itself very forcibly before the people whether our government (Burleson) is for the people, or whether it is first and last for the telephone company.

Existing conditions have been placed before the Board of Trustees of the City of Glendale asking them to provide some means of relief. This body of men with the co-operation of the citizens of the community have in their power a solution of the whole question.

At a mass meeting of the citizens of Glendale, held in the High School Auditorium, January 14, 1919, the following resolution was passed by a rousing vote:

"Believing that the Glendale community in this enlightened age is deserving of the very best telephone service possible, and having been notified that the Pacific Telephone & Telegraph Company intends to charge a toll between the Glendale and the Los Angeles exchanges which will render telephone service between these cities prohibitive, that this body assembled in mass meeting under the auspices of the Greater Glendale Development Association recommends that the trustees of the City of Glendale take immediate steps to inform themselves as to the feasibility of installing a municipal telephone system, and report back to a meeting of the Greater Glendale Association in the near future."

The above resolution was presented to the Board of Trustees and read at their regular meeting Thursday evening, January 16th. The minutes of that meeting has the following notation: "A communication was read from the Greater Glendale Development Association consisting of copies of two resolutions adopted at the mass meeting under the auspices of that association, held at the High School Auditorium on January 14, 1919, in regard to the telephone rate situation. After a brief, informal discussion the communication was filed."

It is now almost five months since that very urgent request was presented to the Board of Trustees by the citizens of Glendale and there has not yet been a reply made to it. The real truth of the matter is that the resolution referred to was pigeon-holed at that time and has never been brought up since.

HONORING MRS. DOXSEE

Mrs. W. L. Andrews of Pioneer Drive entertained members of the Young Mothers' Class of the Baptist Sunday School and a few other friends and neighbors Friday afternoon in honor of Mrs. Doxsee, teacher of the class, who is leaving today with her daughter Beatrice for Redwood City to spend the summer with relatives there. Fifteen to twenty ladies were present. It was a strictly social afternoon and delicious sherbet and home-made cake were served by the hostess.

NEW KIND OF C. E. CONTEST

There was a novel contest in the Senior Christian Endeavor meeting at Central Christian Church last evening. Those present were divided into two equal parties, one side being represented by a pictured automobile and the other by an aeroplane. Each one who took part advanced his emblem so far on its course. The contest was quite a success as every member of each side took part.

FRUIT AND VEGETABLE TRUST?

It is boldly charged in Los Angeles that there is a fruit and vegetable trust composed entirely of Japanese growers and that it controls absolutely the price of all such commodities. It is claimed that every night whatever is left at the big markets is taken away and either destroyed or canned, and that prices for the following day are fixed each evening. The workings of the trust are seen in the price of strawberries. Very good ons sold for 12½c to 15c two weeks ago, but now, after days of hot, ripening weather the best ones are 25c a box. Our local dealers find it impossible to get good fruit to sell at any lower prices. Vegetables are fairly plentiful and reasonable in price, but with the biggest fruit crop on record this year, there seems no possible excuse for such high prices.

EVERYBODY HAPPY

AN EVENING OF RARE ENJOYMENT FOR BENEFIT COMMUNITY SING

The large and beautiful grounds of Mrs. Ella Richardson, 525 South Central avenue, were more than usually attractive Saturday evening, especially after darkness had come and the many electric lights which had been scattered about were all aglow. Tables and chairs were placed advantageously for diners, who had brought filled lunch baskets, only coffee and fruitade being served on the grounds. The coffee won most extravagant praises. It was made by Mrs. McGee of 610 Vine street, a cook and caterer of rare ability. People began to arrive at 6 o'clock and by 7 the grounds were filled and everybody was eating and drinking. At 8 the program opened, and went off without a hitch except that Prof. Kirchoffer' substitute did not appear. Orchestra selections, piano numbers, interpretive dancing, readings and the many song numbers, all were of the highest class. Francis V. Henry's singing of Harry Lauder songs in Scotch costume was a most delightful feature, the singer inducing the audience to join in with him until he had a regular community sing going.

After the program there was dancing until 11:30 p. m. The children's games in charge of Miss Elsie Church were greatly enjoyed.

The net proceeds were about $90, leaving the deficit still close to $100. It was urged by many that the entertainment be repeated on a larger scale in order to wipe out this deficit.

It is proposed to hold community sings on the Richardson grounds during the summer, beginning two weeks from next Thursday evening, learning new songs and practicing old ones. People are urged to pay their pledges regularly at these meetings so that all will be squared up soon. Mrs. Hagood, the efficient pianist, has been paid nothing for her services for many weeks. This is not right, as she employs a woman to care for her children while she attends the meetings.

FAREWELL TO MISS GUELPH M'QUINN

Miss Guelph McQuinn, the popular organist at the First Methodist Church, will be the honor guest tonight at a social, which will be given in the social hall of the church, as a farewell tribute, before her departure for Guatamala City, South America. Miss McQuinn has been very popular as a musician and church worker in Glendale, and has many friends and admirers in the community at large as well as in the church. She ranks among the best of the young musicians of the Southland, and her departure would be greatly regretted, but for the fact that she is answering the call of wedding bells and her chosen work as a foreign missionary. The community is invited to join in tonight's tribute.

P. E. O. MEETING

B. A. Chapter, P. E. O., met last Friday with Mrs. Freeman Kelly, 1251 South Glendale Avenue. Every member but one was present and there were two guests, also—Mrs. Flora Arnold of Brookfield, Mo., sister of Mrs. Fred Kille, and Miss Alice Joyce, sister of Mrs. Williams. The event of greatest interest was the initiation of Mrs. C. H. Toll as a member, with the beautiful ceremony always used on such occasions. The decorations and settings were all very lovely. At noon a delicious two-course luncheon was served. The afternoon program consisted of piano selection by Mrs. Eva Cunningham, readings by Mrs. Kate Parker and Mrs. Willisford and a vocal solo by Mrs. Edith Arnold. After the program a social time was enjoyed.

AT BIG BEAR LAKE

THE MacMULLINS RETURN FROM ENJOYABLE OUTING OF THREE WEEKS

W. P. MacMullin, wife and daughter of Glendale, accompanied by Roy Stratton and Mrs. Viola Andrews of Pasadena returned home last Friday from a three weeks' visit to Big Bear, where they occupied Mr. Stratton's cottage home during their entire stay. The fishing was not very good, but they had enough to supply their table. Mr. MacMullin is enthusiastic over Big Bear, with its eight camps and numerous private cottages. There are accommodations for fully 1000 visitors, but on Decoration Day more than 100 automobile loads of visitors were turned away.

GLENDALE, CALIFORNIA, MONDAY, JUNE 9, 1919

PEACE TREATY LEAGUE

ATLANTIC CITY, N. J., June 9.—Unqualified endorsement is given the peace treaty and league of nations covenant by the executive committee of the American Federation of Labor in its report, submission to the annual federation convention, opening here today.

The basic principles of a lasting peace are in the treaty, the report says, and adds that with a peace so built "the world has in truth been made safe for democracy."

The covenant of the league of nations, the report continues, "must meet with the unqualified approval and support of the American working people. It is not a perfect document and perfection is not claimed for it. It does, however, mark the nearest approach to perfection that has ever been reported in the international affairs of mankind.

"We declare our endorsement of the triumphs of freedom and justice and democracy as exemplified in the covenant of the league of nations."

Discussing the peace treaty as a whole, the report states:

"The introduction of nine specific labor clauses in the peace treaty declares that the 'well being, physical and moral, of the industrial wage earners is of supreme international importance.'

"No such declaration has ever been written into international law through any previous treaty of peace and it is due to the efforts of American labor more than to any other single factor that it appears in this emphatic form in the present treaty."

The report reviews the Pan-American labor conference held at Laredo, Texas, in November.

A long reconstruction program called the "most complete and most constructive yet made in this country," is set forth in the report.

The measures making up the program are:

Democracy in Industry

The report declares it essential that workers should insist upon their right to organize into trade unions; that legislation should be passed making it a criminal offense for employers to attempt to interfere with the rights.

Unemployment

Unemployment, the report says, is caused by under-consumption which, in turn, is caused by low wages.

Wages

After declaring that there is no method for obtaining just wages except through the trade union movement the report says:

"The workers of the nation demand a living wage for all wage earners, skilled or unskilled—a wage that will permit the worker and his family to live in health and comfort."

Hours

The report reiterates the demand for an eight-hour day with overtime prohibited except in emergencies.

Women in Industry

Women, the report says, should receive the same pay as men for equal work performed and must not be permitted to perform tasks disproportionate to their physical strength.

Child Labor

"Exploitation of the child for private gain must not be permitted," the report says, calling for laws to protect children.

Status of Public Employes

Public employes should have the right as citizens.

Co-operation

The report recommends solution of production, transportation and distribution problems through co-operation, declaring the middlemen can be eliminated in this way.

The people's final voice in legislation:

Report recommends legislation to allow laws once held unconstitutional to become effective if re-enacted.

Political Policy

Report opposes a "political party" and says better results can be secured to labor by non-partisan support of candidates known to be friendly.

Government Ownership

"Public and semi-public utilities should be owned, operated or regulated by the government in the interests of the public," the report says. Whatever disposition is made of the railroads, rights of employes must be protected.

Encouragement of merchant marine under government control is recommended with granting to seamen same rights as other workers.

Waterways and Water Power

Legislation for development of water power by the federal government and states is recommended.

Ownership of Land

To wipe out "evils of tenant farming," the report recommends a graduated tax on all usable lands above the amount cultivated by the owner with provisions whereby tenant farmers or others may purchase tracts.

Regulation of Corporations

The report calls for federal licensing with federal supervision over stock and bond issues.

Freedom of Speech

The report asks removal of restrictions on freedom of speech.

Workmen's Compensation

Wiping out employers' liability companies operated for profit is recommended.

Immigration

Barring immigration for at least two years and Americanization of aliens already here asked.

Taxation

Taxes on profits such as not to discourage enterprise and progressively increasing taxes on incomes, inheritances and unused land recommended.

Education

Development of schools and state colleges, rights of teachers to organize for more pay and labor representation on school boards is asked.

Employment Agencies

Federal, state and municipal employment agencies should replace private agencies.

Housing

Establishing of a governmental system of credits to encourage home building and owning asked, with recommendation that states and cities be allowed to take up housing projects.

Militarism

Report "insists" that state militia be organized on democratic principles so as "to never be diverted from its true purpose."

Soldiers and Sailors

Continuing pay of soldiers until they secure employment recommended, also development of land in interest of service men.

Report shows that the membership of the federation is 3,260,068.

MILLIONS FOR WORKERS IN NEW YORK STATE

(By United Press)

ALBANY, June 9.—New York state, through its public works program, will do its bit toward relieving the unemployment situation this year. Work will be given directly to 75,000 men and it is expected that, directly and indirectly 1,000,000 persons will be benefited. These are the conclusions of state officials following a conference at which unemployment and labor conditions were discussed.

Over $50,000,000 is to be spent by the stae, chiefly in building and highway construction, which is under way or to be started this year. The move is expected to have a salutary effect in putting an end to the depression of business which has been felt for the past several months.

Of the total amount of money to be spent and the number of men to be employed, the highway department leads with $20,000,000 for construction and repairs. About 40,000 men will be employed.

A FRIEND IN NEED

(By F. Booth)

Can you ever remember a kindly word
That you've spoken and had to rue?
Have you done anybody a kindly deed
That you wish you could now undo?
There's many a life that's filled with grief,
Where a kindly word would bring relief;
And many a brother and sister need,
Just the saving health of a kindly deed.

There's some who are bearing a heavy cross,
Who may have but themselves to blame;
Don't stop to calculate profit and loss,
They are still brothers just the same.
There's some who have only gone astray,
For want of a friend to show them the way;
And the best of us sometimes miss the track,
When but for a friend might not get back.

It's wise to get a snug balance in the bank
To draw on in time of need;
And to know that you've only yourself to thank,
If you strive, and at last succeed.
But never forget there's a bank wherein
Your account is kept, so you'd better begin
To make sure you'll have no back debts to meet,
When they hand out your final balance sheet.

Don't say, "It's so little I'm able to do,"
It isn't the amount of your gift;
A clasp of a hand,—a kind word or two,
May give some poor creature a lift.
No kindness is wasted,—for if misplaced,
It won't be you that will be disgraced;
For there's one who knows all, so rest content
He'll give you full credit for what you meant.

NOTICE TO THE PUBLIC

An increase in telephone rates and excessive toll charges to Los Angeles has forced the Evening News to order out one of the office phones. Friends of the paper are asked to furnish written accounts of events which they are interested in getting before the people. On account of the high toll the Evening News is sending a messenger to Los Angeles daily for the United Press report.

Everything possible will be done during this telephone embarrassment to keep the Evening News up to its usual standard.

WEATHER FORECAST: — Fair except cloudy or foggy tonight and in the early morning near the coast.

Personals

The Senior class of the Intermediate enjoyed a picnic at Brookside Park Saturday.

John Losh, who formerly resided in Glendale and who has a good many friends here, returned Thursday night. He left here some years ago.

Mrs. Rebecca Lacey and daughter Jennie and Miss Bernice Woods of Highland Park, all former residents of Glendale, were visiting old friends in the city yesterday.

The widow of Prof. Taylor, who formerly taught in the Glendale High School, was visiting friends in the city Sunday, stopping off on her way East. She has been teaching at Delano.

Miss Inez Cazer of 401 East Elk Avenue, is able to be out again after a six weeks' illness of what was thought to be scarlet fever, though her condition was not considered dangerous at any time.

John H. Fanset traded his Cadillac touring car a few days ago for Jesse Smith's Ford Sedan. Then Mr. Fanset purchased a new Nash touring car from the Widmeyre agency, trading in the Ford Sedan.

Yesterday was Children's Day Sunday in several of the Bible Schools of the city. Supt. Roy L. Kent, of the First Baptist, reports a fine observance an interesting sermon by Rev. Eugene Haines on the general subject of "Children's Day."

There has been a rumor going the rounds of the town that in the near future the McGee Dry Good store will treble its floor space, and have new plate-glass fronts installed, employ a force of clerks, and carry an exceedingly large stock of merchandise.

Miss Anna Stewart, of the Intermediate School, took a party of four, Mrs. S. R. Frazee, her daughter, Margaret, and son, Robert, also Miss Mary McDill, to Pomona in her car Saturday to attend the annual "May Masque" of Pomona College, held in the Greek Theatre.

Fifteen or sixteen young people from the Baptist Church of this city visited Pasadena Saturday afternoon and evening to attend a convention of Federated Young People's Unions. A banquet was served at 6 o'clock followed by a session at which excellent reports and addresses were made.

With the blare of several brass bands and a street parade, the annual convention of the State Aerie, Fraternal Order of Eagles, opened in Venice today. Four hundred delegates, representing 28,000 Californians, appeared for the session. Placerville, Cal., is asking for the 1920 convention. Warren Shamon, San Francisco, state president, presided over the convention.

The History Class of Glendale Union High, which is under the instruction of Miss E. Maud Soper, was very pleasantly entertained by one of its members, Dean Culbertson, Friday evening, at his home in Hollywood. He formerly lived in La Crescenta and did not forsake his school when he changed his residence. The evening was devoted to games and a general good time, and the class was chaperoned by Miss Soper.

KNIGHTS' TEMPLAR

Glendale Commandery, No. 53, Knights' Templar, will hold a special meeting this evening when the order of the Temple will be conferred. All members are urged to be present.

GLENDALE 70

Mrs. Fannie O. Stone of 301 E. Chestnut informs us that Sergt. David Young, her nephew, is now on his way to San Francisco, and will doubtless be home in a very few days.

A beach party, consisting of Orville Williams, Fred Wilson, Sparks McCluskey, Waldo Hutchinson, Chas. Allison and Paul Richardson, spent Sunday afternoon at Ocean Park, fishing and swimming.

W. J. Stone of 210 South Central Avenue arrived at home Saturday from a brief trip to Paso Robles to look after his ranch interests. He starts Wednesday on a long Eastern trip which will occupy the greater part of the summer, as he will look after property interests in Illinois, Michigan and South Dakota.

Mrs. Christina Barbara McWilliams of Tujunga, died Sunday, 6:30 a. m., after an illness of but two days. Funeral services will be held tomorrow, 3 p. m., in the Jewel City Undertaking Co. parlors, with interment in Forest Lawn. Deceased leaves a husband, Samuel McWilliams. They had lived in Tujunga seven years.

Parents who want their children to learn a bit of nature lore at first hand and see how mother birds feed their young, should take them to the shop of the Glendale Plant & Floral Company, at 124 South Brand, where the bird family, which has had its home in one of the windows, has been increased by the hatching of a nestful of eggs. It is an unusually favorable opportunity to show the little folks something about the habits of birds.

Miss Edith Lindsay and her pupils are preparing a dance recital to be given Wednesday evening, the 11th, in K. of P. Hall. Many prominent children of Glendale and Hollywood are to take part. Jean Oliver, who has appeared in Glendale on several occasions, will, with Mary Prowell, lead a dainty "Dresden Doll Ballet." The work the children will present in this ballet would do credit to people many times their ages. Little Barbara Chandler has a surprise number. Lois Naudain will dance, also Dorothy and Kathleen Woods, and, as before, many well-known screen children. Jane Gay and Morton Davis, Peggy Cartwright, Carmen de Rue and Georgia French. The entertainment is open to the public. Miss Lindsay will continue her classes during the summer, holding them in the early morning.

CONSIDERATE CUSTOMER

"Sir, this is a golden opportunity! Small investment, no risk, and enormous returns absolutely sure."

"Then I wouldn't have the heart to deprive you of it."—Life.

TUESDAY AFTERNOON CLUB MEETING

The Tuesday Afternoon Club holds its regular meeting tomorrow afternoon in the Masonic Temple. During the business session final arrangements that have been made for the annual luncheon will be announced. The program is to consist of an address by Hase Gawa, Japanese secretary of Y. W. C. A., and a group of Japanese songs by Miss Viola Yorba, in costume. The program will be followed by the social hour, at which time the Hospitality Committee will serve refreshments.

GALA DAY AT TROPICO PRESBYTERIAN CHURCH

Children's Day was observed Sunday in the Tropico Presbyterian Church beginning at 10:30 a. m. The exercises were in charge of the primary department of the Sunday School, Mrs. S. E. Brown, superintendent. They consisted of songs, recitations and drills and all were well prepared and splendidly given. The church was beautifully decorated for the occasion and the attendance was unusually large. An offering of $25 for Sunday School missions was made.

TWO INTERESTING SERMONS AT CENTRAL CHRISTIAN CHURCH

The morning sermon at Central Christian Church yesterday was on "Christian Unity." Sermons on this topic were preached all over the nation, showing that surely though slowly, divided christendom is reaching out for close unity. The pastor spoke of the folly of churches dividing against themselves when they should rather unite against worldly things. A united church could take the world for Christ in a very short time and thus end all wars. A meeting of representatives of 21 Christian denominations in an Eastern city was referred to and the statement made that all applauded addresses on the union of Christian bodies and not a jarring note was heard.

In the evening, "Balaam, a Corrupt Politician," was the subject of the sermon. Balaam, knowing what God wanted him to do, yet temporized and sought worldly gain with the result that he lost all and his life in the bargain. Lessons were drawn from this sinful life, showing how the professional politician will knowingly use evil methods to carry his point, though knowing the right.

SHRINERS HOLD BIG CONVENTION

(By United Press)

INDIANAPOLIS, June 9.—Gaily bedecked Indianapolis today welcomed tens of thousands of Nobles of the Mystic Shrine, who came here from every part of the country to attend the national shrine convention here this week.

Other thousands of visitors thronged the streets and taxed the housing and victualing facilities of the city. The crowd was said to be one of the greatest that ever invaded Indianapolis.

The east, west, north and south joined hands and Indianapolis fairly outdid herself to dress up for the occasion. Flags and bunting and other decorations graced the windows of all business houses and "Welcome Shriners" placards were everywhere.

Sixty-five bands, a few drum corps and one bag pipe band made music resound through the streets and patrols wearing their finest plumage marched to the tune.

Cowboys and cowgirls came out of the west to stage the first championship round-up that has ever been seen east of the Mississippi. This is a real cowhand contest in which the cowhand, the steer and the bronco have never been introduced to each other. The men came from the plains in their natural garb — high-heeled boots, spurs and chaps. The "rodeo" will last three days.

Following this will be one of the main features of the gathering—the field day program.

Seventy-five crack drill teams will exhibit their fancy foot work, wall scaling, pyramid building and other stunts.

Aviation stunts and dirt track auto races will also furnish amusement for the Shriners.

The first big parade will be held tomorrow morning and will consist only of the bands and patrols of the visiting temples. This parade will be the grand escort for the imperial potentate from the hotel headquarters to the Murat temple, prior to the opening of the official session of the council.

The main parade will be held Wednesday night and it is anticipated that 15,000 men will be in the line of march. The route will cover approximately fifty city blocks all of which will be brilliantly illuminated and decorated.

IN THE BOOK OF GENESIS

There had been a heavy downfall of rain, and the district railway manager was quickly on the warpath. He telegraphed along different sections of the line as follows: "Send full particulars of the flood."

Now there was a man on a particular section of the line where no flooding had taken place, and he decided that the message was a joke, so he wired back as follows: "Look in the Book of Genesis."—Edinburgh Scotsman.

Worth $21.50—Our Special $14.95—You Save $6.55.

AND THEN 15 CENTS A DAY PAYS FOR IT!

We announce that the manufacturers of the famous "LIFETIME" Aluminum Ware, which is being displayed in our windows this week, have consented to allow us to offer the FIRST EIGHTEEN PURCHASERS the privilege of obtaining a complete 8-piece Aluminum Set (exactly as pictured, hard pure aluminum, full capacity) upon payment of just

ONE DOLLAR CASH—ONE DOLLAR A WEEK

COMPLETE SET DELIVERED TO YOU ON FIRST PAYMENT.

BIGGEST SELLING EVENT IN HISTORY!

Never before in the history of merchandising has such High-grade Aluminum Ware ever been offered on such attractive terms and at such a great saving. Every housewife should take advantage of this liberal offer; every kitchen should have this useful set and the old, unsanitary (perhaps rusty) cooking utensils should be replaced for the sake of BETTER COOKING and YOUR FAMILY'S HEALTH.

Fifteen Cents a Day!

THINK OF IT! Only 15 cents a day, or one dollar a week, will pay for it in no time. You will not miss the money and you will use the set while paying.

You Must Act Quick!

REMEMBER—only EIGHTEEN SETS will be sold in this manner. Do not let this opportunity pass. COME TODAY and place your order. We will deliver the set at once. TOMORROW and FOR YEARS to COME, you will be cooking in NEW, SANITARY, BRIGHT "LIFETIME" Aluminum Ware

CONSIDER THESE FACTS:

"LIFETIME" makes unnecessary the constant buying of new utensils!

"LIFETIME" is NOT an expense, but an investment that pays! You will get LIFETIME WEAR out of LIFETIME WARE

TRANS-MISSISSIPPI GOLFERS

ST. LOUIS, June 9.—Receipts of the Trans-Mississippi golf tournament to be held over the St. Louis country club course beginning today and closing June 14th, will get to the Red Cross again this year, according to an announcement of the club. Last year's tournament netted $4500 for the Red Cross.

United States Golf Association rules will govern plays here except in the matter of stymie. A compromise agreement provides that if the player lays himself a stymie, he must play it and if his opponent is responsible for the stymie, then the player may lift his opponent's ball. United States Golf Association rules make it compulsory to play the stymie under all circumstances.

LISTEN TO THIS

ORDINANCE NO. 351

AN ORDINANCE OF THE CITY OF GLENDALE CALLING SPECIAL ELECTION TO BE HELD IN SAID CITY ON THE 17TH DAY OF JUNE, 1919, AND SUBMITTING TO THE QUALIFIED VOTERS OF SAID CITY THE PROPOSITION OF INCURRING INDEBTEDNESS FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS IN CONNECTION WITH THE COMBINED DEVELOPMENT, OPERATION AND IMPROVEMENT OF THE WATER WORKS AND SYSTEM AND ELECTRIC LIGHT WORKS AND SYSTEM OF SAID CITY, TO-WIT, LANDS, WELLS, PUMPING PLANTS, PIPES, PIPE LINES, METERS, RESERVOIRS, RESERVOIR SITES, WATER RIGHTS, POLES, PIPE LINE RIGHTS AND A HYDRO-ELECTRIC GENERATING PLANT FOR THE PURPOSE OF GENERATING ELECTRICITY, PROVIDING FOR THE ISSUANCE OF BONDS THEREFOR, SUBDIVIDING THE CITY INTO ELECTION PRECINCTS, DESIGNATING THE POLLING PLACES AND APPOINTING ELECTION OFFICERS FOR SAID ELECTION.

WHEREAS, THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE, at its regular meeting held on the 22nd day of May, 1919, by vote of more than two-thirds of all its members duly passed and adopted a resolution determining:

That the public interest and necessity demand the acquisition and construction by the City of Glendale of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said City, to-wit, lands, wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity.

That the estimated cost of said municipal improvement and utility is ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS and is and will be too great to be paid out of the ordinary income and revenue of the municipality. Said improvement would require an expenditure greater than the amount allowed for the same by the annual tax levy; and whereas said resolution was duly signed and approved by the President of the Board of Trustees of said City on the 22nd day of May, 1919, and was attested and certified to by the City Clerk and was duly published on the 23rd day of May, 1919, in the Glendale Evening News, a daily newspaper printed, published and circulated in the City of Glendale;

NOW, THEREFORE, the Board of Trustees of the City of Glendale do ordain as follows:

Section 1. That a special election be held and the same is hereby called to be held in the City of Glendale on Tuesday the 17th day of June, 1919, for the purpose of submitting to the qualified voters of said City the proposition of incurring indebtedness and issuing bonds of said City in the amount hereinafter set forth, and for the purposes set forth in said resolution and hereinafter stated.

Section 2. That the objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows, to-wit:

The acquisition, construction and completion of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said City, to-wit: lands, wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity and providing for the issuance of bonds therefor.

Section 3. That the estimated cost of said proposed municipal improvement described in Section 2 hereof, is ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS; that the amount of the principal of the indebtedness to be incurred therefor is the sum of ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS, and that the rate of interest to be paid on said indebtedness shall be five (5%) per cent. per annum, payable semi-annually; that if the proposition for incurring said indebtedness for said purposes so submitted at said election receive the requisite number of votes, to-wit: two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS shall be issued and sold for the purpose of acquiring and constructing said municipal improvement and utility; both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard weight and fineness.

Section 4. The polls for said election shall be opened at six o'clock in the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour of closing there are any voters in the polling place or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the polling place after seven o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

The ballots to be used at said election shall be printed substantially in the following form:

Instruction to Voters

To vote in favor of the proposition, stamp a cross (X) in the voting square to the right of and opposite the word "Yes;" to vote against the proposition, stamp a cross (X) in the voting square to the right of and opposite the word "No."

ALL MARKS EXCEPT THE CROSS (X) ARE FORBIDDEN.

ALL DISTINGUISHING MARKS OR ERASURES ARE FORBIDDEN, AND MAKE THE BALLOT VOID.

If you WRONGLY STAMP, TEAR or DEFACE THIS BALLOT, return it to the inspector of the election and obtain another.

Shall the City of Glendale incur a bonded debt of ONE HUNDRED NINETY-SIX THOUSAND AND NO 100ths ($196,000.00) DOLLARS for the purpose of acquiring, constructing and completing certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said City, to-wit, lands, wells, pumping plants, pipes, pipe lines, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights, and a hydro-electric generating plant for the purpose of generating electricity.	YES NO

Section 5. That for the holding of said election said City is hereby districted and subdivided into ten (10) election precincts, and precincts one (1) to eight (8), inclusive, shall be a consolidation of the precincts fixed and established by the Board of Supervisors of the County of Los Angeles, as shown by minutes of said Board of Supervisors under dates of December 31, 1917, January 23, 1918, and February 27, 1918, to which minutes reference is hereby made as part hereof, for the precincts comprising the territory included within the corporate limits of the City of Glendale at the time of the fixing of said precincts by said Board of Supervisors as aforesaid. Precincts nine (9) and ten (10) for said election shall respectively comprise the territory hereinafter more definitely described.

The following are the boundaries and polling places of said consolidated election precincts, and the following named persons are hereby appointed officers for such election, respectively:

Consolidated Election Precinct No. 1

All that portion of the City of Glendale contained in Glendale City election precincts Nos. 1, 2 and 10 above referred to.

Clerks—Mrs. Dora L. Howe, Mrs. Mary J. Rich.

Consolidated Election Precinct No. 9

Comprising all that territory of the City of Glendale known and referred to as the Arden Avenue Annexation District, which was annexed to the City of Glendale by an election held in said district on April 5, 1918, which territory is more particularly described in Resolution No. 990 of the City of Glendale, calling said election, which resolution is referred to for a definite description of said territory; comprising also all that territory of the City of Glendale known and referred to as the Valley View Annexation District, which was annexed to the City of Glendale by an election held on the 5th day of April, 1918, which territory is more particularly described in Resolution No. 991 of the City of Glendale, calling said election, which resolution is referred to for a definite description of said territory; comprising also all that territory of the City of Glendale known and referred to as Kenilworth Annexation District, which was annexed to the City of Glendale by an election held on the 24th day of June, 1918, which territory is more particularly described in Resolution No. 1013 of the City of Glendale calling said election, which resolution is referred to for a definite description of said territory.

Polling Place—533 West California Ave.

Inspectors—Warren Story, Mrs. Grace Holman.

Judges—Mrs. Irma Kimmell, Mrs. Lucy Durham.

Clerks—Margaret C. Garber, Mrs. Emma Kent.

Consolidated Election Precinct No. 10

Comprising all that territory of the City of Glendale known and referred to as the Grand Avenue Annexation District, which was annexed to the City of Glendale by an election held on the 20th day of January, 1919, which territory is more particularly described in Resolution No. 1058 of the City of Glendale, calling said election, which resolution is referred to for a definite description of said territory.

Polling Place—Residence of Charles H. Ellsperman, Sixth St.

Inspectors—Eugene H. Learned, Mrs. A. M. Asbury.

Judges—Howard Loudermilk, Mrs. Cyrena V. Reynolds.

Clerks—Myrtle B. Buckman, Kate Sheperdson Black.

Section 6. That in all particulars not recited in this ordinance said election shall be held as provided by law for the holding of municipal elections in said City.

Section 7. The City Clerk shall certify to the passage and adoption of this ordinance by a vote of two-thirds of all the members of the Board of Trustees of said City, and its approval by the President of said Board, of said City, and shall cause the same to be published once a day for at least seven days in the Glendale Evening News, a daily newspaper, printed, published and circulated in the City of Glendale, and thereupon and thereafter it shall take effect and be in full force.

Adopted and approved this 5th day of June, 1919.

FRANK L. MUHLEMAN,
President of the Board of Trustees of the City of Glendale.

Attest—J. C. SHERER,
City Clerk of the City of Glendale.

State of California, County of Los Angeles, City of Glendale—ss:

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the whole number of members of the Board of Trustees of the City of Glendale is five, and that the foregoing ordinance was passed and adopted by a vote of two-thirds of all its members and approved by the President of said Board at a regular meeting thereof held on the 5th day of June, 1919, and that the same was passed by the following vote, to-wit:

Ayes—Henry, Jackson, Muhleman, Shaw, Woodberry.

Noes—None.

Absent—None.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the City of Glendale this 5th day of June, 1919.

J. C. SHERER,
City Clerk of the City of Glendale.

POST-WAR BURGLAR SHOOTS TO KILL

(By United Press)

LONDON. (By Mail).—The present-day British burglar is a much more fearsome person than he was in pre-war days.

Since the war, robberies are much more frequent and burglars are a blood-thirsty tribe. Sir Nevil Macready, chief commissioner of metropolitan police, attributes this to the fact that after four years' experience of killing, the burglar of today is indifferent alike to the taking of life and to his own personal safety.

"In pre-war days," said Sir Nevil, "if a burglar was met on the stairs by a householder in his pajamas, his first thought was to escape, but now, in similar circumstances, cases which are being tried in the courts go to show that the thief will more probably resort to violence and, if necessary, murder."

MEXICO BUYS HEAVILY IN UNITED STATES

(By United Press)

MEXICO CITY. (By Mail).—The Treasury Department today published a report showing that during the year 1918, Mexico imported from all foreign countries a total of $164,470,035.47 worth of goods. The greater portion of these importations was from the United States, the total reaching $141,157,46.32. From European countries the amount was only $16,058,716.12.

The export statistics are not yet completed, but it is believed that they will show a total of at least one hundred millions more than the importations. The value of the petroleum exported alone is placed in the neighborhood of $145,000,000, while fiber and metals also show a high valuation.

"SOME EXCITEMENT"

(Continued from Page 1)

brushed them off and got about two hours' sleep. We have had none since. The rain drove them in.

"We are going to have a concert here tonight. I will write about it in my next. We had a picture show Wednesday evening. They made the electricity with their Ford car. The plays were: Charley Chaplin in 'A Dog's Life,' and William Hart in 'The Border Wireless.'' Both I had seen in Glendale. Next week they will have one of Griffith's plays, 'Hearts of the World.'"

Under date of June 4th he wrote his mother and sister:

"I just want to tell you about what took place today. In the first place it was quite warm, being over 108 degrees in the shade. We have been working on the desert about 15 miles from San Joaquin and there I guess the heat was about 125 degrees if not more and no shade at all.

"Well, after supper Mr. Dunn, Wilfred Sutton (from Eagle Rock), and myself with a carpenter went to the new $14,400 schoolhouse to try and fix up a few settings for the school children's closing play. At the same time the man who was to run the 'Hearts of the World' (movie) was trying out his machine. We were in the back of the building behind the stage and he was way in front on a small platform right over the front door. As I happened to be not very busy I sat down near the stage and began to look at a newspaper when all of a sudden his film caught fire. He yanked a portion of the burning film out of his machine and threw it right into his open film box with eight reels of 'Hearts of the World' open in it. At once it exploded and we were caught in the burning building. The doors were all locked except the front one under the burning roof and balcony and the only other thing was to jump about ten feet out of a back window. I just watched the flames for a few minutes and tried to burst a door open, but finally decided to run through the burning archway out the front door. It was some smoke and some hot. Wilfred was trying to extinguish the fire with a small hose, but we had to force him out as the whole roof had caught and was about to cave in on him. Some excitement! Nobody got hurt except for a few scratches. The whole building burned to the ground, and, thanks to the fact that the wind was not strong enough to carry the fire to any of the fields of ripe grain, we got off quite easy, after all.

"Well, it is still quite warm and as Wilfred and I are both quite tired from the heat and the extra excitement, I shall close for tonight. It started at 8:30 and is still burning at 10 p. m.

"Wilfred had to jump out the back window as he was one of the last ones out and I was running in and out yelling for Wilfred to hurry as the roof was all one blaze.

"There will be a new school building next year. It was insured for $9,000 and only a $6000 loss.

"HARRISON."

JAP FARMERS PROSPEROUS

(By United Press)

TOKIO, May 10. (By Mail).—In sharp contrast with the condition in industrial and commercial centers, Japanese farmers show wonderful prosperity. This, according to Gentaro Shimura, president of the Hypothec Bank of Japan, is because of the high price of rice and cocoons.
